

Heat Assure Multi-functional Fuel Oil Additives

Saving fuel oil suppliers time and money

ET PRODUCTS LLC

A Scientific Real World Solution

Built from the ground up in 2020!

Newly formulated with Providence Resolution in mind

-  *Dual stabilizer*
-  *Dispersant*
-  *Corrosion inhibitor*
-  *Metal deactivator*
-  *Water dispersant*

User Benefits

- *ET Reduces harmful peroxides that lead to fuel degradation*
- *ET Improves storage stability of distillate and bio blends*
- *ET Cleans nozzles and filters*
- *ET Safely removes gum and sludge buildup*
- *ET Protects tanks and components from pitting*
- *ET Lowers maintenance*
- *ET Inhibits copper catalyst degradation*
- *ET Lowers incidence of microbial contamination*
- *ET Reduces no-heat calls*

Compare *Heat Assure* to older “incumbent” technology/formulas:

<i>Legacy, incumbent technologies:</i>	<i>ET Heat Assure formulations:</i>
<i>Older technologies not developed with high BXX in mind</i>	<i>Designed specifically with new BXX in mind</i>
<i>Less than optimal for application</i>	<i>Optimized performance in BXX / ULSHO</i>
<i>Offer less protection in new fuels</i>	<i>Dual Stabilizer protects, inhibits breakdown</i>

ET Products Heat Assure: Available in two convenient formulations

What works best for you?

ET 2320 HEAT ASSURE MULTI-FUNCTIONAL FUEL OIL ADDITIVE

- ET 1:20,000 gallon treat rate***
 - ET Best for bulk storage tanks***
 - ET Easy injection***

ET 2460 HEAT ASSURE MULTI-FUNCTIONAL FUEL OIL ADDITIVE

- ET 1:7,500 gallon treat rate***
 - ET Easy transport truck treatment***
 - ET Same active ingredients***
